

Molly and Emmett Paper Dolls

by Marilyn Hafner

First color Molly and Emmet. Then apply a thin coat of glue to the backside of this paper.

Glue to poster board or thin cardboard. (You can use the plain side from a cereal box.)

After the glue is dry, carefully cut out each doll.

Molly and Emmett star in each issue of LADYBUG® magazine.
Don't miss their new adventure coming in November,
when they'll be visiting Grandpa's farm.
